

## International PhD Guidance

One-one one | Personalized | Mentoring

### Level 1

# The Profile Compass

*"Am I even qualified for his?"*

#### WHO IS THIS FOR?

For students who are curious about International PhD programs but unsure whether their academic profile is strong enough to apply. If you want an honest, expert assessment before you invest time in applications — this is where you begin.

#### WHAT YOU RECEIVE

- › Your profile assessed against international PhD eligibility standards
- › Honest verdict on how competitive you are — for both international and Indian programs
- › Clear identification of your profile strengths and the gaps that need attention
- › Personalised, actionable recommendations on exactly where and how to improve
- › A written verdict shared after the session — clear guidance, no vague advice

*You leave this session with complete clarity on where you stand and exactly what your next steps should be.*

**30 – 45 Minute Consultation**

## LEVEL 2

# The Application Blueprint

*"I'm ready—but I don't know where to begin."*

Two independent modules — take one or both

## WHO IS THIS FOR?

For students who are confident their profile is ready but need a clear understanding of the International PhD application process and expert guidance on which universities are the right fit for them.

### MODULE A — The International PhD Masterclass

- › What is an International PhD and what life looks like after admission
- › The complete application process — explained clearly, step by step
- › Understanding Research Fit — the most critical factor in PhD applications
- › How Research Fit helps you identify the right supervisors for your profile
- › Sample cold email template to approach professors [Bonus]

### MODULE B — Your University Shortlist

- › 5 universities identified and researched ***specifically for your profile***
- › Delivered as a ready-to-use Excel sheet — one complete row per university
- › Covers eligibility, required documents, minimum percentage, and deadlines

### Module A + Module B — Available as a Package

Take both modules together and save on the individual price.

***Each module can also be booked and taken independently.***

## Level 3

# The Admission Partner

*"I want expert support at every step of the way."*

End-to-end — until you secure your admission offer

★ Automatically includes all services from Level 1 and Level 2

### WHO IS THIS FOR?

For students who want complete, personalised, end-to-end guidance — from understanding the International PhD process all the way to securing their admission offer. We work alongside you as your dedicated PhD partner every step of the way.

*Personalised. One-on-one. End-to-end. We don't fill forms for you — we teach you how to build a winning application. The decisions will be yours. The clarity and guidance will be ours to give.*

### WHAT WE WORK THROUGH TOGETHER

- › Complete process orientation — personalised to your target countries and universities
- › Research topic identification — guided sessions to find and finalise your research focus
- › Supervisor outreach strategy — how to identify and approach the right professors
- › Academic CV — teaching session plus detailed written feedback on your draft
- › Research Proposal — teaching, review, and up to 2 rounds of corrections
- › Statement of Purpose — teaching, review, and up to 2 rounds of corrections
- › Personal Statement — teaching, review, and written feedback on your draft
- › Recommendation Letters — personalised advice on who to ask and how to brief them
- › University shortlist — 5 universities matched and researched for your profile
- › Application support — guidance through every university's form before submission
- › Viva and interview preparation — mock sessions and detailed feedback
